

HOW THE JETPACK FLIGHT SESSION WORKS

- Total Time Allocation required by each new Flyer is 45 mins to 1 hour from arrival to departure.
- Flight time is dependant on the package you purchased.
- All beginner flights are Throttle Controlled by your Flight Instructor on the PWC.
- Helmet and LifeJacket worn on each flight.

Before the day

- Make a booking time / specific flight & location (online now) www.jetpackadventures.com.au
- Prepay with PayPal – Direct deposit-Credit card to confirm your placement
- Be able to handle getting your face submerged – you don't have to be able to Swim and be over 10 years of age.
- Download Map & Plan to arrive on-site, on time.

When you arrive Check in (this will take about 10 mins)

- Check into the Flight instructor where our friendly staff will guide you through the whole process.
- Site Orientation will then be advised as to location of toilets and other amenities.
- Complete the Waivers

While you're there (pre-flight will take about 20 mins)

- Optional Wetsuits to be fitted.
- Mandatory Lifejackets to be fitted & adjusted
- Flyboard unit introduction and fit up
- Or Jetpack unit attached & adjusted to your size (your optimal reach of control arms / 5 point safety harness tightened)
- Last Safety Instructions given (Emergency Stop and basic flight start.)
- Optional Video Cameras to be attached on request,

When your finished (give yourself 10 mins so you can de-buzz before leaving)

- Customer Video if purchased.
- Return all equipment and dry off.
